VIVAAN
STRUCTOTECH INDUSTRIES PRIVATE LIMITED

COMPANY OVERVIEW

Vivaan Structotech Industries Private Limited is a rapidly growing structural steel fabrication company specializing in heavy steel structures, industrial buildings, and customized steel infrastructure solutions.

Strategically located at Nakkapalli, Andhra Pradesh, the company is developing a modern fabrication facility with an initial capacity of **5,000 MT per month** (60,000 MT per annum).

Backed by strong engineering expertise, quality-driven processes, and a commitment to timely project execution, Vivaan Structotech delivers reliable, cost-effective, and innovative structural solutions for industrial, infrastructure, warehousing, power, and commercial sectors.

QUALITY ASSURANCE

Skilled & Verified Workforce

Dimensional Inspections

In-Process Quality Monitoring

Surface, Material & Weld Checks

Final Product Inspections

Compliance with Applicable Standards

Delivering consistently reliable and precise solutions to help you build projects with **uncompromised quality** and long-term performance.

QUALITY POLICY

— Our Commitment. Your Confidence. —

At Vivaan Structotech, quality is the foundation of everything we build.

We are committed to:

DELIVER SUPERIOR QUALITY

Consistently deliver steel structures and solutions that meet applicable standards and exceed customer expectations.

ROBUST QA/QC SYSTEM

Implement stringent QA/QC processes at every stage, from raw material inspection to final dispatch.

RELIABLE NDT PRACTICES

Ensure the integrity and reliability of our structures through qualified personnel, calibrated equipment, and advanced NDT techniques.

COMPETENT & EMPOWERED PEOPLE

Empower our people through training, engagement, and a culture of accountability to achieve excellence in everything we do.

SAFETY & COMPLIANCE

Prioritize safety and strictly comply with all applicable statutory, regulatory, and customer requirements.

CONTINUOUS IMPROVEMENT

Continuously improve our processes, systems, and capabilities through innovation, learning, and effective use of resources.

STRONG PARTNERSHIPS

Build long-term relationships with our clients, partners, and suppliers based on trust, transparency, and mutual growth.

QUALITY TODAY. EXCELLENCE ALWAYS.

We are committed to delivering safe, reliable, and world-class steel structures that stand the test of time and contribute to a stronger tomorrow.

SITE LOCATION

STRATEGICALLY LOCATED FOR STRONGER CONNECTIVITY.

CLOSE TO INDUSTRY. CLOSER TO GROWTH.

Vivaan Structotech Industries Pvt. Ltd. is strategically located in the industrial corridor of Andhra Pradesh, offering excellent connectivity to major industrial hubs, ports and infrastructure.

EXCELLENT CONNECTIVITY

Well connected by National Highways and State Highways.

INDUSTRIAL ADVANTAGE

Located in a fast-growing industrial belt with strong ecosystem support.

PORT ACCESS

Close proximity to Visakhapatnam Port and Gangavaram Port for seamless logistics and export-import operations.

GROWTH CORRIDOR

Surrounded by key industrial projects, manufacturing units and infrastructure developments.

KEY DESTINATIONS & APPROXIMATE DISTANCES

OUR LOCATION STRENGTHS

- ✓ Strategically positioned near major industrial projects
- ✓ Excellent road connectivity to ports and cities
- ✓ Easy access to raw materials, skilled workforce and logistics
- ✓ Ideal location for manufacturing and export-oriented operations

STRATEGIC LOCATION. STRONGER CONNECTIONS.

Our factory is strategically located to bring you the advantages of proximity – to opportunities, resources and growth, enabling us to deliver better, faster and more efficiently.

CLOSE TO INDUSTRY.
Right in the industrial corridor.

CLOSER TO PORTS.
Faster logistics. Global reach.

CLOSER TO GROWTH.
Better connections. Bigger opportunities.

STRUCTURING YOUR VISION INTO REALITY

BUILDING STRONGER TOMORROWS, TOGETHER.

We extend our sincere thanks to our clients, partners, and stakeholders for your trust and support.

At Vivaan Structotech, we remain committed to delivering excellence in every structure we build.

QUALITY DRIVEN

Excellence in every detail.

CLIENT FOCUSED

Building lasting relationships.

SAFETY FIRST

Prioritizing people and protection.

SUSTAINABLE FUTURE

Engineering for a better tomorrow.
